

CRESS & MICROGREENS

Aclla Cress

A fresh cress with mint and citrus accents, surprising in desserts.

Aclla Cress is a speciality cress with small, tender leaves, harvested very young. Its fragrance combines minty freshness with a lemony note, which makes it valuable for lifting a dessert as well as for balancing rich dishes. It adds a clear aromatic touch without masking the main ingredient.

FLAVOUR
Fresh, minty, citrus note
