

CRESS & MICROGREENS

Atsina Cress

Tiny leaves with a mild aniseed and liquorice taste.

Atsina Cress is a cress with small, delicate leaves and the sweet flavour of aniseed and liquorice. It finds its natural place in desserts, especially with white chocolate, but its fennel-like notes also go very well with delicate white fish. A subtle, refined aromatic touch.

FLAVOUR
Sweet aniseed, liquorice, fennel note

ORIGIN
Netherlands
