

SPECIALITY VEGETABLES

Chinese cabbage

An elongated head cabbage, tender and crunchy, the base of kimchi.

Chinese cabbage, or Napa cabbage, forms an elongated head of tightly packed, pale green, crinkled leaves with white ribs. Its flavour is mild, finer than that of classic cabbage, and its texture both tender and crunchy. It is served raw, sautéed, braised or in soup, and is the base of kimchi.

FLAVOUR
Mild, fine, crunchy
