

CRESS & MICROGREENS

Mixed Shiso Cress

The duo of green and purple shiso as microgreens, for a contrasting plate.

Mixed shiso cress combines green shiso and purple shiso shoots in the same punnet. The colour contrast is matched by a characteristic fragrance, between mint, aniseed and a lemony note. Very practical for dressing a plate in one go, it is cut at the base at the moment of serving to keep all its freshness.
