

EXOTICS & ASIAN FLAVOURS

Fresh turmeric

The fresh turmeric rhizome, with bright orange, fragrant flesh.

Fresh turmeric is a rhizome of the ginger family, with brown skin and brilliant orange flesh. Its earthy, slightly peppery and bitter fragrance is livelier than that of the powder. It is grated into a curry, a marinade, a broth or a juice, and colours preparations intensely.

FLAVOUR
Earthy, peppery, slightly bitter

ORIGIN
Thailand
