

EDIBLE FLOWERS

Verbena flower

Delicate flowers with herbaceous, lemony notes, for a subtle touch.

Verbena flower comes as small, delicate corollas in pale shades, gathered in spikes. Its fine, herbaceous flavour reveals a lemony note that goes well with desserts and fish. More discreet than other flowers, it is placed as a finish, pulled apart or in small spikes, to scent lightly without masking the dish.

FLAVOUR
herbaceous, fine and lemony

ORIGINS
Spain, France
