

EDIBLE FLOWERS

Yellow violet flower

A small violet in a luminous yellow, to brighten the plate.

This viola with yellow petals adds a bright, sunny touch to the plate. Like the classic viola, it has a mild, discreet flavour that does not interfere with the dish. It pairs particularly well with citrus desserts, salads and fish plates.

FLAVOUR
Mild, subtle, floral

ORIGINS
Spain, France

BOTANICAL NAME
Viola × wittrockiana
