

FRUIT

White pineapple strawberry

A small white strawberry with red seeds, with surprising pineapple notes.

The white pineapple strawberry is a small strawberry with creamy white flesh, with red seeds on the surface. Its aroma recalls pineapple, with a sweet softness and a slightly tangy side. Highly original to look at and to taste, it is used to surprise in desserts or as decoration. Fragile, it should be handled with care and eaten quickly.

FLAVOUR
Sweet, pineapple aroma
