

EXOTICS & ASIAN FLAVOURS

Kilometre green beans

Very long, slender beans, crunchy, perfect for the wok.

The yard-long bean owes its name to its very long pods, which can exceed thirty centimetres. Slender and supple, they stay crunchy when cooked and offer a flavour close to the green bean, a little denser. It is cut into sections or knotted for an original presentation.

FLAVOUR

Vegetal, dense, green bean

Seasons and origins

Peak season · Early · Late · Rare
