

FRUIT

Gold kiwi

A kiwi with golden yellow flesh, sweeter and less acidic than the green kiwi.

The Gold kiwi has smooth, light brown, almost hairless skin and golden yellow flesh with a cream-coloured centre. Its sweet flavour with tropical notes and little acidity is enjoyed with a spoon like a dessert fruit. It is offered in punnets or loose. When ripe, it gives slightly under finger pressure.

FLAVOUR
Mild, sweet, tropical notes

ORIGINS
Italy, New Zealand
