

EXOTICS & ASIAN FLAVOURS

Buddha's hand

A citrus with outstretched fingers and an exceptionally intense zest aroma.

Buddha's hand is a variety of citron whose fruit divides into long fingers, giving it a spectacular silhouette. It contains neither juice nor pulp: all its interest lies in its zest, with a floral, lemony fragrance. It is grated, candied or used to scent a sugar, an oil or a spirit.

FLAVOUR
Zesty, floral, lemony

ORIGINS
Israel, Morocco
