

CRESS & MICROGREENS

Melissa Cress

Young lemon balm, minty freshness and a lemon fragrance.

Melissa Cress is the young shoot of lemon balm, also called garden lemongrass. It combines a minty flavour with a delicate lemony fragrance. It accompanies crustaceans, white fish, squash or citrus, and can also temper strong flavours such as lamb, game or cheese. It lends a lovely fragrance to drinks.

FLAVOUR
Minty, lemon fragrance
