

FRUIT

Charentais melon

The Charentais melon, with orange, sweet and highly fragrant flesh.

The Charentais melon is a round melon with smooth or finely netted skin, marked by light green ribs. Its bright orange flesh is melting, juicy and highly fragrant, with a sweet, musky taste. It is eaten ripe, when the aroma is noticeable and the stalk comes away. A catering classic, as a starter or dessert.

FLAVOUR

Sweet, musky, highly fragrant
