

BABY VEGETABLES

Baby endive

A miniature endive, crunchy and delicate, to serve whole or pulled apart.

The baby chicory has all the qualities of the classic chicory in a smaller format: tightly packed leaves, white with pale yellow tips, crunchy and juicy. Its light bitterness, milder than that of a large chicory, is easily balanced. Served whole, braised or pulled into leaves, it suits individual presentations and canapé bites.

FLAVOUR
mild, crunchy, slight bitterness
