

FRUIT

Yellow peach

A yellow-fleshed peach, firm, fragrant and pleasantly tangy, which holds up to cooking.

The yellow peach has velvety orange-yellow skin tinged with red, and golden yellow flesh, juicy and firmer than that of the white peach. Its taste is sweet with a more marked acidity. It holds up well to cooking, making it suitable for tarts, compotes and homemade preserves. Sold loose, size A.

FLAVOUR

Sweet-tangy, fragrant, firm
