

EXOTICS & ASIAN FLAVOURS

Physalis

A small golden berry in its lantern, tangy and delicately sweet.

Physalis comes as a small orange berry wrapped in a papery calyx, which protects it and makes it a natural decoration. Its flesh, dotted with tiny seeds, offers a balance between acidity and sweetness, with notes recalling tomato and pineapple. It is served fresh, coated in chocolate or alongside savoury plates.

FLAVOUR
tangy, sweet, pineapple notes

ORIGIN
Colombia
