

FRUIT

Yellow pitaya

A dragon fruit with brilliant yellow skin and very sweet white flesh.

The yellow pitaya stands out with its bright yellow skin, spiny but thin, and its white flesh dotted with small edible black seeds. Sweeter and more fragrant than the white-fleshed red pitaya, it has a juicy, crunchy texture. It is enjoyed halved, with a spoon. Its bold colour is an asset for presentations.

FLAVOUR

Very sweet, juicy, lightly fragrant
