

FRUIT

Red pitaya, white flesh

The pink-skinned, white-fleshed dragon fruit, mild and refreshing.

This pitaya has bright pink skin with green scales and white flesh dotted with small, crunchy black seeds. Its taste is mild and refreshing, recalling kiwi and pear, and more subtle than that of the red-fleshed pitaya. It is eaten with a spoon, straight from its shell. A classic of exotic fruit menus.

FLAVOUR

Mild, refreshing, kiwi and pear
