

FRUIT

Red pitaya, red flesh

The dragon fruit with magenta flesh that colours preparations and is more fragrant.

This pitaya has bright pink skin and intense fuchsia-red flesh dotted with tiny black seeds. Its flavour is sweet, more pronounced than that of the white-fleshed variety, with notes of red berries. Its colour tints preparations, making it an asset for smoothies, sorbets and cocktails. Best enjoyed fully ripe.

FLAVOUR

Mild, sweet, notes of red berries
