

FRUIT

Nashi pear

The Asian pear with flesh as crisp and juicy as an apple, round and golden.

The nashi pear, or Asian pear, is round, with golden yellow skin finely speckled with brown. Its white flesh is crisp, very juicy and slightly grainy. Its taste is fresh, mild and not very acidic, with a thirst-quenching quality. It is eaten raw and crisp, like an apple, and holds up well to cutting.

FLAVOUR
Fresh, mild, crisp

ORIGIN
China
