

HERITAGE VEGETABLES

Red Meat radish

The radish with a bright pink heart, nicknamed watermelon radish.

The Red Meat radish, also called watermelon radish, has white-green skin and pink to bright red flesh, like a slice of watermelon. Its flavour is mild, lightly sweet, with a discreet bite. It is served raw in thin slices, in carpaccio or pickled, for a remarkable visual effect.

FLAVOUR
Mild, lightly sweet, barely hot

ORIGIN
France
