

HERITAGE VEGETABLES

Heritage tomato

Heritage varieties in many shapes and colours, for generous plates.

Heritage tomato covers traditional varieties with irregular shapes and varied colours: red, pink, yellow, green, black. Their flesh, often dense and meaty, offers stronger, more contrasting flavours than standard tomatoes. They show their full character raw, simply sliced, seasoned with olive oil and salt, and make for very colourful plates.

FLAVOUR

fleshy, sweet, varied flavours

Seasons and origins
